WOOO-OOW!!
Everything looks SO yummy!
CHAPTER 2: A HOME FOR FLOWERS
Is this really all for us?!
Yup! I prepared this picnic for everyone. I even brought some fruit!
Woo-hoo!
Let's eat!!

Oh, Basil! Stop doubting yourself! I'm sure they'll be great.
Did you want to show us your photo album now, Basil?
Ah, okay... but it's nothing amazing.
You're right, Aubrey. Sorry... I'll try to believe in myself more.
Here!
This way we can all see.

FOREST PLAYGROUND
Munch, munch, munch... Thanks, Mari! You're the best at everything, including baking cookies!
Oh, that's not true at all! It just seems that way from the outside.
Well, I could eat a hundred... No, a thousand of these!
Mari sure makes everything look easy, doesn't she?
Yes, I agree! Mari is so effortlessly graceful...

Oh, this is me showing Omori this photo album!
He really likes to look through all the pictures with me...
That picnic we had recently was really fun too!
We even got to eat some watermelon!
I wanna eat watermelon again!!
We got sleepy after eating so much...
Everyone looks so happy and peaceful...
Especially Hero and Mari! Hehe!
This is from when Mari was teaching everyone how to make flower crowns!
Omori and Kel are holding her perfect example. So pretty...
Mari is good at everything... including arts and crafts!
Basil, the flower crown suits you so well!
Y-You think so?
Everyone else looks great too!
Hero's face is so serious here...
How adorable!
Wh-What are you saying, Mari?! When did you guys take this picture of me anyway?

And I'll smash him with Mr. Plantegg!
If Boss shows his face around here again, I'll send him off running with my ball-throwing skills!
Wow! My two strong protectors!
Still, I think it would be better if we could all be friends...
Don't you think so...?
Friends with Boss, huh...?
Hmph! Well, it's not like I'm just going to stand around letting Boss do what he wants either...
Oh~! I'm counting on you, my hero~! Hehe...
Ahh, come on, Mari! Not now...
Yeah! He can be a little rough around the edges, but I'm sure he's just misunderstoo-
RUSTLE
This album is full of our precious memories...
Let's make even more memories together!
Of course!
Don't you remember, Kel?!
He was just yelling and stomping around our picnic the other day!
Oh, right! I remember now. He even knocked over my Orange Joe!!
OHH YEAHH!! Picnics are the best!
Food is more delicious when everyone is eating together!
But... you know...
If we seem like we're having too much fun, Boss might appear again...
Huh? Who's Boss?
WORRY NOT, HERO!
Such a shame... We even had to clean the stain off Mari's picnic blanket afterwards...

STOMP
Basil is our friend! Don't you dare hurt him, you bully!
What did you say?!
CHEEKY LITTLE BRAT!!
ACK!!

Mari!!
Hey, Boss...
Huh? Are you sure about that...?
SHUT IT, YOU!!
During the battle, Boss tried really hard to make sure I didn't get hurt.
You see...

SLASH
Omori!

RUSTLE
Don't come near me ever again!!
This is a Boss-Only Zone!
Well... He probably won't be a problem hidden like that. He seems to be reflecting on his actions...
What's up with him?
Hmm...
What should we do now?
Darn... Our picnic got ruined... again.
OH, ME!! I WANNA GO!! Omori is coming too!!
Of course! I recently planted a lot of pretty flowers! I was wondering if anyone wanted to see them...
I know! Would any of you like to come over to my house?
Oh, are you sure?
Well... Let's see...
What about you, Mari?

But even if it's lonely, that doesn't mean you can ruin other people's fun...
I can understand how that feels.
It must hurt to see people have fun without you...
Next time...
...if you want to hang out with us, just ask!
Hmph! This is a load of baloney...
I don't need to hear these lies!

Wow, there's so much nature! It's beautiful out here in the forest!!
And the air is so fresh!
What's this flower, Basil?
Actually, every flower I plant here has its own unique meaning...
That's how I want to be like...someone who always sees the bright side of things.
Oh! These are sunflowers. They're called that because they always face towards the sun.
So why don't you guys go on ahead? You can protect everyone, right Hero?
And I'd like to clean things up a bit here.
My leg is not feeling very well today...
Omori!
Wow! Such a strong and responsible young man!
Th-That goes without saying!
Of course, Mari! Leave it to me!
Okay, everyone! Off we go!
Let's race to Basil's house!
Take care of yourself, all right? My dear little brother...

Plain, simple, and bulbous... just like Omori!
And these are white tulips.
They're very sturdy and resilient, just like Kel!
Cacti are more of a plant than a flower. They can survive even in seemingly impossible conditions.
Hero is like all roses, because he's universally loved!
Roses come in many different colors. Pink roses symbolize admiration... Yellow roses symbolize Friendship...
This flower reminds me of Aubrey, because she's always true to herself!
The gladiolus, or the "sword flower" represents strength of character. Someone who is honest and stands by their convictions...
I guess that's why they remind me of Mari!
These flowers are called lily of the valley. It's said that they're able to ward off evil spirits and help people see a brighter Future...

Oh wooooow, Basil! OF course your house is Full of Flowers too!
I just like to take care of things...
Move over, Aubrey! I can't see!
PUSH
どんっ
HEY, STOP PUSH-ING!
Basil, can I see the photo you took just now?
This one?
Yes, yes! That one!
GET OUT OF MY WAY, KEL!!!
There's no need to fight!
W-Wait, hold on!
YOU ALREADY HAD YOUR TURN!!

Well, here we are!
But before that...
Say cheese!
CHEESE!

Let's hurry into Basil's house!
I wanna see! I wanna see!!
Oh no! My hand might have shook a little... I hope it's not blurry.
Hero, you care way too much about how you look!
Does my hair look okay...?

I'm so sorry...
Oh my gosh... Basil...
I'm sorry too!
It doesn't look like any of the photos were damaged. Let's put them back in the photo album together!
Accidents happen...
I-It's okay, don't worry about it.
You two are in big trouble now!
This is why the both of you need to learn how to get along!
We didn't mean it, Hero. Please don't tell Mari...
Then, everything will be back to normal...
Yeah...!

Please stop-
SHOVE
Ah!
FALL

Something about it seems so familiar.
Huh? What is this? Did I take this photo?
?
N-No... That can't be...

You have an amazing memory, Omori.
I'm speech-less...
There...
Good as new.
Thank you so much, Omori!
Now the album is just the way it was befor-
Wait... There's one more photo-graph...?

SUNNY!
THANK, GOD! YOU'RE AWAKE!!!
SIT UP
Look at all of us...
These are all of our memories together...
They're a little sad now...
But we should be happy that they happened at all.
... together.
Okay?
Let's make new memories again...
I'm gonna hold onto it for safe-keeping...
You shouldn't be carrying things around like this, Sunny! Knives are dangerous!
It's me, Basil...
S-
Sunny...
Oh, right! It's been a while since you saw Sunny too, huh, Basil?
Do you... remember?
It's been a while, hasn't it?
But... At least you seem okay now.
Scared the crap out of me, to be honest.
You blacked out for a while there...
I guess we should be thankful that things didn't get any worse...
Aubrey ran off with her new friends before I could stop her...
W-Wait a sec! Give me that!
I'M CONFIS-CATING THIS!!!!
THIS!!

Sigh... What a scumbag!
Aubrey really has changed, hasn't she?
W-Well... She... She won't give it back...
Don't you worry about a thing, Basil.
What?!
Ah... Right... Well...
Aubrey... She took my photo album and...
We'll get that album back for you!
Me and Sunny got you covered!
LET'S GO!
'Course!
Ah... Are you sure?

So... What's up with you and Aubrey anyway?
Haha...
WOO-HOO!! WHAT A HAPPY REUNION!!
Aubrey took something from you?
Well... You see... Something important was taken from me.
Oh... Um...
When...we... used to be friends...
Do you remember how I used to take pictures of everyone?
Of course I remember. Those photos meant everything to you!

Should we ask one of her new friends? What do they call themselves again? The "hooligans"?
Although... Actually, I have no idea where Aubrey might be.
See ya later, Basil!
There's no time to lose! We got a photo album to find.
C'mon, Sunny!
S-See... you...
Sigh... Where are you...
Aubrey?

By the way...
About what you said before...
Don't sweat it!
Okay... Thank you...
We're still friends.
I want you to know that, okay?
Okay.
